

54th Annual Sessions & 84th Anniversary Celebrations of the Institute of Chemistry Ceylon

Theme Seminar on
Chemistry for Quality Life

Date : 17.06.2025

Venue : Centre for Banking Studies, Rajagiriya, Sri Lanka

Programme

8.15 a.m.	Registration and Refreshments
9.00 a.m.	Welcome Address Prof. Janitha A. Liyanage <i>President, Institute of Chemistry Ceylon</i>
9.15 a.m.	Molecules to Machines: The Convergence of Natural & Engineering Sciences – A Blueprint for Innovations Prof. (Dr.) Saranjit Singh <i>Vice Chancellor, KIIT DU & Professor, School of Mechanical Engineering, Bhubaneswar, Odisha, India</i>
10.00 a.m.	Rapid Detection of β -Lactamase Expressing Antibiotic Resistant Bacteria Prof. Uday Maitra <i>President, Chemical Research Society of India</i> <i>Department of Organic Chemistry, Indian Institute of Science, Bangalore, India</i>
10.50 a.m.	Modulation in the Structure, Dynamics, and Enzymatic Activity of an Ordered Protein β -Lactoglobulin through Liquid-Liquid Phase Separation Prof. Saptarshi Mukherjee <i>Department of Chemistry, IISER Bhopal, India</i>
11.35 a.m.	Metal Organic Framework Based Triboelectric Nanogenerator for Powering Electronics Prof. Rojalin Sahu <i>KIIT DU, Patia, Bhubaneswar, Odisha, India</i>
12. 25 p.m.	Vote of Thanks
12.40 p.m.	Lunch
